

A long, minimalist interior space, likely a library or study area. On the left, a long, low wooden bookshelf with open shelving holds various books. In the center, a yellow, textured sculpture of a seated figure sits on a black, rectangular base. To the right, a long wall of large, dark-framed windows offers a view of greenery outside. The floor is made of light-colored wood planks. The ceiling is white with a long, recessed light fixture. A large, white, curved wall is visible on the far left.
